BRAGGING RIGHTS

Mabalingwe Nature Reserve really stood out at the 27th Annual RCI OSCAS Gala Awards held on 17 March 2015. This awards ceremony is one of the most prestigious in the industry and celebrates industry partners and their contribution to RCI in Africa.

Mabalingwe was nominated for one of the most sought-after awards, Top Gold Crown Resort – Large Category. It is an amazing achievement to be nominated for such an exclusive award and we could not be more proud of the Mabalingwe name. Mabalingwe was also awarded Gold Crown Status which is the highest RCI rating presented to resorts. Robin Rumbelow was awarded a RADA (RCI Award for Developer Achievement) in the Managers and Employees of the Year – Operations category.

Mabalingwe was awarded first place in the DAE Resort Registration Program. Since the launch of the program, Mabalingwe registered a total of 2615 members in only two years.

WHAT'S NEW?

The Mabalingwe team has been hard at work with upgrades and maintenance to ensure your holiday experience is comfortable and memorable. Renovations to the reception area have been completed as well as a new entertainment zone at the pool. The entertainment zone is completely kiddie friendly with an upgraded mini-golf course, interactive games room and games around the pool.

Renovations to Kubu and Phiri camp have been completed, with additional lights in the lounge area and the ongoing installation of monkey windows in all units. To improve the quality of your holiday, new white linen, including duvets and curtains, bed throws and scatter cushions will be added to all units.

GOING GREEN

- Nature is such a big part of Mabalingwe and for that reason we are continuously working towards being more environmentally friendly. Making little changes may seem trivial, but from the cleaning chemicals we use to the toilet paper, we try and ensure the Resort's impact on the environment is minimal.
- Going green has been embedded in our minds and has been a great factor in the refurbishment of the resort. All bedroom, kitchen, stoep and lounge light fittings have been replaced with LED lamps. Mabalingwe is doing as much as possible to reduce our impact on the environment.
